Green Approved Product

For

National Green Building Certification

This is to signify that the following products for residential construction

DuPont™ Corian® Solid Surface

Manufactured by

DuPont Building Innovations

Have been approved for points toward National Green Building Certification
to the ICC 700-2008 National Green Building Standard as shown on page 2 of this certificate.
The NAHB Research Center hereby authorizes accredited verifiers to award
these points toward certification when the products are used in accordance with
the conditions shown on page 2 and the manufacturer's installation instructions.

This information has been verified by independent third-party testing or evaluation.
